I am on an
ADVENTURE!

You Can Help Me
On This Journey

I was left here on purpose so I could find a new reader. *I HAVE FOUND YOU!*

Who has read me and who placed me here?
Who has loved me and who found me boring?
Where will I go when you are through with me?

The person who released me here (as well my
previous readers) are wondering about my fate.

I'm in good hands.

When you're done with me, please leave me
at a location where I can continue my journey!
