Get Away Give Away 2006
This book is not lost. It's looking for adventure!

CONGRATULATIONS! This is a very special book! It's been liberated. That is, it is absolutely FREE - a gift from me to you. While traveling on holiday, I released this book to begin a journey of its own. Please take it home & enjoy!

You see, I'm a member of anonymous book-sharing community on the internet and have registered this book there in order to track its travels. Please visit www.BookCrossing.com and enter a brief note that this book is in safe hands. You do not have to register or join. There is no cost involved. No one is going to try to sell you anything & you can remain completely anonymous!

BookCrossing.com members spread the joy of reading by leaving books 'in the wild' or trading them directly with others. Our greatest joy is knowing that someone (like you) has found one of our books. When you're done, leave this book somewhere so it can continue on its journey. Happy reading & Happy Trails!
