

That's Right, Baby!

This book was left here just for you!

You see, this is not a lost book. This text was left here on purpose by an individual who is a member of **BookCrossing.com** (an internet book sharing community).

Members of BookCrossing.com like to share books with people all over the globe. Below you will find a special number assigned to this particular book. You will make someone's day if you visit the site and post a note about where you found this book. You do not have join or register. No one is going to try to sell you anything. We just like to know how far our books travel.

Oh, after you pick your chin up from the floor, happy reading!
